LEEDS MENORAH SCHOOL NURSERY: PARENT & STUDENT HANDBOOK

2021 - 2022

Welcome to Leeds Menorah School's Nursery!

To help parents understand a bit more about how we operate and to ensure the smooth running of the class, we request that parents review this guide carefully prior to the start of the new term.

AIMS OF THE SCHOOL

- To develop in each child a range of skills, talents and values, such as: diligence, tolerance, respect of others, courtesy and general demeanour.
- To develop in each child their thinking, initiative, self-discipline and creativity.
- To enable each child to experience success, progress and enjoyment academically, personally and socially.
- To develop a respect for the environment and an understanding of British Values and the world in which we live.
- To enable children to develop self-esteem and self-confidence and to distinguish right from wrong according to the law of the country as well as Torah Law. To teach children to become responsible and aware that they can play a positive role in contributing to the life of those in their locality.
- That children feel strong and inspired in their own traditions and identity, whilst also teaching them to respect other peoples and cultures.
- To deliver a diverse education which is firmly based on Torah principles and combined with the National Curriculum.

Underlying all these aims is the wish to create a school environment in which the children and staff are safe, happy and fulfilled and given foundations to confidently approach challenges and opportunities which arise in the future.

Ethos of Leeds Menorah School

The central principle of the Torah (Bible) is to love another and treat one another as one would wish to be treated oneself. This is also a central principle in the ethos of Chabad

Lubavitch. Consequently, much of our curriculum is geared to encouraging the pupils to care for and have respect for others within the school community and in the community at large. The atmosphere in the school is one of harmony and respect, which is reinforced in weekly assemblies, "boy/girl of the month" and "team of the month."

Please note that some Fridays are 'long' while other Fridays are 'short'. Please refer to the **School Holiday List** for details.

Children will only be allowed to go home with a parent or an adult who has pre – arranged to collect them from school.

Absences

We request that parents please make any appointments for students outside of school hours if possible. If a child needs to miss any school day (or part of a school

day) please notify us as early as possible via email office@leedsmenorahschool.org give details about the date/time/situation.

Change of Clothes

- If you feel it necessary, please send a full change of clothes for your child to leave in school for the duration of the school year. If your child comes home wearing their change of clothes after their original clothes have become wet, please return a clean change of clothes to school as soon as possible.
- Please send in a pair of wellies that your child will leave in school to wear at playtime during wet weather.

Labelling

Please clearly and permanently label outerwear (cardigans/cold weather layers), personal items (such as backpacks and lunch boxes), and the bag with the change of clothes (if you send one).

Lunch and Snacks

- Packed lunches, snacks and drinks must be sent daily with each student. We encourage healthy food choices among the students including fruits and vegetables with lunch and for snack.
- Please send dairy or *parve* foods if possible. If it is necessary to send a meaty lunch, please let us know so we can make the appropriate table arrangements.
- Please ensure all foods brought into the school are approved by a reliable *beth din*. If parents are unsure about the *hechsher* please check with the school.
- Dairy foods brought to distribute to the class/school should be *cholov yisroel*.
- Please send a drink or re-fillable water bottle to school every day.
- Children must not swap their food with one another.
- No chewing gum or sticky sweets should be brought to school.

Medication/Injuries

Unless specific arrangements are made with the school by the parent/carer, we are not allowed to administer any medication to students and students are not permitted to bring any medicines to school. We do give plasters for small cuts if necessary. If there is a minor incident (bruise, small cut or abrasion) our staff will take every care to help the student both physically and emotionally. In a case where the injury is not minor, we will contact parents immediately. In a case where parents cannot be reached, we will contact someone specified as an Emergency Contact from the student's registration form.

All medication or first aid administered to children will be reported in writing to the parent/carer.

Pick Up

Please note that nursery students generally wait inside the school building to be picked up at 1 pm. We request that parents please come into the building at this time and do not wait for their child outside.

Pitching In

At the start of each school term please send in: one standard bottle of **grape juice**, one **box of tissues** and one snack (in accordance with the *kashrus* guidelines as stated previously). The snack is for a *Shabbos* party to share amongst the entire class once during that term. Please let us know once you have sent in these items so we can keep track.

Supplies

- An A4 Display folder and an A4 document wallet are required.
- The display folder will be sent home daily and must be returned with your child daily. Please be aware that some homework will require signature when returned.
- The document wallet will be sent home on Fridays and must be returned with your child on Mondays.

Tzedoka Money

Please ensure the children keep a few pennies in a purse in their school bag as we will be giving a penny a day for tzedoka.

We appreciate your cooperation and encourage you to contact us if you have any questions or concerns.

We look forward to welcoming you soon!
