

Dear Teacher,

This file contains a full set of Alef-Beis sheets with 2-4 sheets per letter. Each letter has a sheet to introduce it and another for revision, with extra sheets for similar letters. These sheets do not include nekudos.

These sheets can be used in class and also as reinforcement to review what was studied in class, at home.

Thank you for your interest in the Alef Beis Curriculum. Your purchase of the curriculum will be exclusively for the use of your school. The files may not be shared with or sold to anyone, and will be personalised with your moised's name, and our copyright, at the bottom.

We are always looking to enhance the curriculum and your feedback will help continue to support teachers with high quality materials for their classrooms.

Much Hatzlacha,

Dabrushy Pink
